kid kanteen® baby

A Bright Green Start

MEDIUM FLOW 9oz

SLOW FLOW 5oz

Features

- Free of BPA, lead, phthalates and other toxins
- Contoured hourglass bottle designed for little hands
- Embossed and laser-etched features for easy measuring
- Dishwasher safe
- Wide-mouth opening for easy filling, pouring, and cleaning
- Stainless threads compatible with all Klean Kanteen® wide-mouth caps
- Nipple design promotes proper oral development and healthy teeth
- Double-venting system reduces nipple collapse & colic
- Nipple flow rates promote natural-paced and relaxed feedings. Wide base and nipple shape encourages proper latch.

BPA FREE™ ALWAYS 18/8 STAINLESS STEEL

Introducing Kid Kanteen® Baby Bottles

You want to make sure your child's environment is as safe and healthy as possible. But figuring out what products to choose can be a little overwhelming sometimes, especially with everything else on your plate. We can help. At Klean Kanteen® we're as committed to giving you safe choices as you are to creating a healthy, nurturing environment.

We offer a wide range of Kid Kanteen® products, including our new 5oz and 9oz baby bottles. Whether you breastfeed, use formula, or choose a combination of both, Kid Kanteen® Baby Bottles are healthy, toxin-free, environmentally friendly bottles that allow natural-paced, relaxed feedings and promote proper digestion and development.

"You won't ever have to worry about chemicals, toxins, or strange flavors leaching into your child's water or juice. We're thrilled to be able to promote Klean Kanteen's products as a safer alternative to parents."

– Christopher Gavigan
Healthy Child Healthy World

Our Partners

We are proud to work with a variety of non-profits and organizations to help reduce children's exposure to BPA and other environmental toxins. Through awareness, education, and advocacy, we are helping to make a safer, healthier world for kids and adults alike.
