TE KURA O POINT CHEVALIER

22/03/2012

To whom it may concern,

At the end of the school year 2011, I had Craig from First Alert Carpet Cleaning in to clean the carpets throughout the school, along with the staffroom and office chairs. I have also used him for years to clean my carpets at home.

As always, Craig has done a brilliant job and I fully expect to continue to use him to clean our school's carpets.

As well as the cleaning, Craig has also given me some sound advice on what sort of carpet we would be best to use in an up coming building project, both for lifespan and ease of cleaning.

I have no hesitation in recommending Craig to anyone who is after a top notch carpet or furniture clean.

Yours Sincerely,

Justin Pascoe
