Proud to be members of:

When you need service... **FAST**

MISSION STATEMENT

Our success is dependant upon exceeding customer expectations.

We will achieve this with the best team providing awesome service.

B&B Plumbing & Drainage
are dedicated to personal service!

SERVICES WE PROVIDE

B&B Plumbing & Drainage incorporates a variety of services to suit all our clients' needs. We have a plumbing maintenance division, drainage division, housing division, water services division, gas fitting and service agent repairs.

Maintenance Division

Handles all day-to-day maintenance. This division's focus is to offer exceptional service and continue to grow our already sizable client base setting up maintenance contracts and scheduled work where possible.

Drainage Division

Under takes all drainage works both domestic and commercial installations and servicing.

Excavator and truck hire. Wastewater and Sewerage Treatment Stations.

Hydrojet Drain Clearing and CCTV Camera video survey.

Housing Division

Under take quality housing for a selective number of builders.

Gas-fitting Division

Under take general gas-fitting maintenance and installations, service agents for DeLonghi LPG Heaters and also other LPG heater brands.

Vehicle Tracking & Fleet Management

We have the latest technology with our real-time positional vehicle tracking system that is used to manage our tradesman, improve vehicle efficiency and job scheduling.

Not only does this allow us to plan, schedule our daily operation right down to the minute, we also reduce our fuel consumption and minimise the impact on the environment.

Vehicle tracking also improves productivity and allows true on the job costing, putting us firmly in-control and ahead of our competitors.

Insurance Work

We understand the distress and inconvenience such an event can cause, and we therefore attend to any water damage, burst pipe, roofing leaking as soon as possible.

Our price is reasonable and all work is supervised and project managed and has the *"master plumbers guarantee."*

Plumbers you can trust.

Watertight Guarantee
