Dear Caron & Malcom

SECURITY SERVICES - AUCKLAND VEHICLE ASSESSING CENTRE

~~On behalf of AMI, I wish to express our appreciation of your continuing successful efforts in apprehending offenders seeking to burgle the above premises.~~

Your commitment over and beyond the call of duty in being prepared, at the risk of personal injury, to tackle and hold potentially violent criminals is tremendous. We notice that you have had a 100% success rate in the three alarm incidents this year with all offenders caught. You have physically captured seven offenders and through your observation enabled the police to apprehend another. Your ability in managing to capture and hold two offenders at the same time is amazing.

Due to your actions none of these offenders were able to steal any items of value and they are all facing prosecution.

Please accept the attached voucher as a small token of our appreciation for your efforts.

Again, many thanks on behalf of the AMI team.

Yours faithfully
