

Does your walkway, driveway, house, or any other dirty area need a water-blast cleanup. We can help with a very affordable price...

As a one man business we can offer you the most affordable price in providing you a complete house-wash, driveway or walkway, water blasting cleanup.

[Kiwi House Washers](http://www.kiwihousewashers.co.nz) are the most affordable and all we will need from your premises during the cleanup process will be a water and power connection. Our price will reflect a much cheaper price since you provide the power and water connection during the cleanup process.

Give us a call for a completely free quotation of the required area you need to cleanup. We will visit your premises at your convenience and provide you with a written quote. In some circumstances we can offer you a free quote via email or by telephone.
