

For a take off in life

ANGELS Times

CHILDCARE CENTRE

New Year Edition

January 24th 2014

Dear Parents,

HAPPY NEW YEAR EVERYBODY!!

We are all well into our New Year and we've been super busy with settling new children and welcoming lots of new families to Angels.

Last year we launched our private Face book Page for our current families and staff and this has been working really well. Teachers are easily able to update parents almost on a daily basis with photos and activities. We've also had great feedback from parents about how nice it is to have daily updates. We still have our portfolios too so please do feel free to ask the teachers if you can see your child's portfolio and you are also welcome to put things in there too!

A reminder to all parents that accounts must be kept at least one week in advance. If you are struggling with payments please see Jeanette and we can help with re-payments.

Make up days or swap days are not offered at the centre. However if you are needing an extra day please see Jeanette and we can make arrangements.

We have just launched our page on the Localist which is a form of a directory. We've put the link to this page on Facebook so feel free to "love" us or leave a comment on our Localist Page. Thanks to those that have already "loved" us and for your continued support of the centre

The Lovely Stephanie will be in on Tuesday 28th Jan at 10am for haircuts. If you have booked an appointment please pay by Tuesday morning at the office. \$15 per child.

Playball will resume again on Weds 5th Feb & Fri 7th Feb. Register today & get the early bird price for your child. (This is for 2-4 year olds). www.playball.co.nz or email Coach Erin: coacherin@playball.co.nz

We have a couple of extra days available in the babies and the Kindy Room. If you would like to pick up another day please see Jeanette in the office.

Don't forget your child's sun hat and to apply sun block each morning before coming to Angels.

If your child is off to school this year please be reminded to give two weeks notice and ensure your account is cleared before leaving. Portfolios will be released upon full payment of account.

Regards,

Jeanette Manu

Manager
