WELCOME TO BOO RADLEY'S

In Boo's house, we like to share...that way everyone gets to try a little bit of everything. The nibbles are just as they sound: something to graze on with a cocktail or to kick off your dining. We recommend roughly 2 of our plates per person, with some sides if you're particularly hungry. Our staff are more than happy to help you decide on just the right amount for your group and hunger levels, so please ask. Many of the items on our menu are gluten-free, vegetarian, or can be made so with a few small tweaks - please enquire if you would like to know which items these are.
