HERB PLANTS - HUGE RANGE

NOW'S THE TIME FOR PLANTING

- ▶ Warmer temperatures and more sun mean it's time to plant vegetable and flower seedlings. Palmer's have a huge range to choose from.
- ▶ Sow seed for summer flowers either directly into the garden or in trays for planting out later.
- ▶ Summer-flowering bulbs such as amaryllis, canna, gladioli, dahlia and nerines can be planted now.

Mulch around your plants to retain moisture.

SUNBELLS CALLIBRACHOA

- Remember the bees this spring and plant plenty of flowers in your pots, planters and bare places in the garden.
 - Spring-flowering annuals include alyssum, anemone, calendula, cosmos, dianthus, forget-me-nots, aquilegia, lobelia, stock and pansies.
 - Blue-flowering plants such as borage, forget-me-nots and lobelia will encourage not only bees but also hover flies, which love to feast on aphids.
- For more expert advice, see the latest issue of *Your Home & Garden*.
