Friendly reminder

If any of your contact numbers have changed then please either let Lynne or Meenakshi know so that we can update our records.

The weather is getting warmer. Please send a sunhat for your child. Please label your child's clothes and belongings as it is easier to organise them by the end of the day.

Thank you

We would like to extend our sincere thanks to all the children and their families and Whanau for generously donating on Loud shirt day.

What's New?

Play ball physical fitness Programme sessions are finished for this term, for our Young Children Classrooms now. They will be available to all children who are either three or turning three during these term holidays. If you are interested in the programme please enroll your child at reception. Sessions will commence after the term break.

Children are divided into two groups and each session will be of 45 minutes duration.

Change of hours

If you require a change of hours for your child then can you please fill out a change of hours form and return it to the centre.

Grandparents Day

Our centre celebrated Grandparents day on 2rd September 2011. It was a huge success.

Grandparents and families enjoyed the food and had fun spending the time with their grand children. Shared are some of the interesting pictures. Children enjoyed having special afternoon tea with their grandparents. Here are the pictures of some beautiful and special moments shared by children with their grandparents.

To be a grandparent
is to experience the joy
of unconditional love.
