

PICK OF THE BUNCH

SEPTEMBER 2011

SUMMER IS ON IT'S WAY!

Daylight savings has started so we can begin to enjoy the extra daylight in the evenings. Fire up the bbq for some outdoor entertaining, a great time to catch up with friends guilty of hibernating over winter. If you're guilty then it's a good time to get moving with plenty of summer sports and activities about to start. Never know who you might meet while out and about, so smile, make eye contact, get your A in to G and roll on summer.

GO KIWI'S!

GO THE AB'S & WARRIORS

Well you would have to be living under a rock not to have seen a bit of the RWC. The boys are loving it and the girls are loving watching the boys. A great time to get out amongst it, meet some new people and support the boys in black. Don't forget the league boys in the Grand Final. Sunday to.
