

# PICK OF THE BUNCH

OCTOBER 2011

## NEW FITNESS SPEED DATING!

A huge amount of BU members are after someone who is fit and active. What better thing to try then than Fitness speed Dating.

It is run by DJ Wang, personal trainer, professional wing man & Model. Featured in the NZ Herald and on TV 3. He runs special group nights & is also happy to consult one on one re image & dating skills. Check out his page on event finder. <http://www.eventfinder.co.nz/2011/fitness-speed-date/auckland/takapuna>

If you would prefer a female perspective, I am more than happy to do consultations also. ( If you go let DJ Wang know you are from BU)

## ALL BLACKS WIN RWC!

Well what a time we have had! NZ has been overflowing with party atmosphere, like weeks of New Years Parties. I know I'm not the only one experiencing withdrawals, but summer BBQ's and parties are just getting started, if you haven't got one to go to, then organize one your self!
