

PROPERTYMANAGERSFRIEND™ - Making Life Easier For Property Managers

Your Preferred Provider of Electrical Services (Electrician)

Our Professional Approach Backed by a Larger Team of Dedicated Electricians and Capable Support Staff Will Save You Time and Hassles

WHY PROPERTY MANAGERS CHOOSE US?

Typically property managers have one or more of the following frustrations with their current electricians;

- **They Don't Turn Up On Time** or when they say they will frustrating the tenant and me, which causes more disruption to my day.
- **They Don't Do A Quality Job** so I've got to get another electrician back to complete the job or worse get them back and hope they get it right the second time.
- **They Don't Do What I Ask or they Do More Without My Permission** leaving me not knowing what to tell the landlord and looking like I don't know what's going on.

- **They Don't Invoice Me Quickly**, so I need to chase up the invoice with a phone call.
- **They Don't Tidy Up When Finished**, leaving Tenants angry and on the phone to me complaining, wasting my time and energy.
